

This quick reference guide (QRG) provides instructions on how to drop or swap a course in Workday. Please note you will only be able to perform these tasks if your institution allows students to self-register. Please contact your academic advisor for support if you do not have the Drop or Swap buttons.

To drop or swap a course, complete the following steps.

DROP A COURSE

From the Workday Home page:

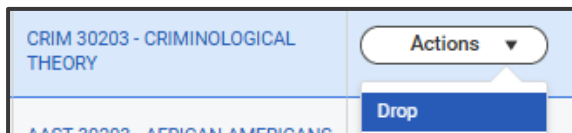

1. Hover over **Student** on the Student Profile Menu.
2. Select **Academics Hub** from the list.

3. Under **Current Classes** click the **View Details** link.

4. Under **My Enrolled Courses** locate the course that needs to be dropped and click the **Actions** button.
5. Select **Drop** from the list.

6. Check the **Confirm** box.

7. Click **OK**.

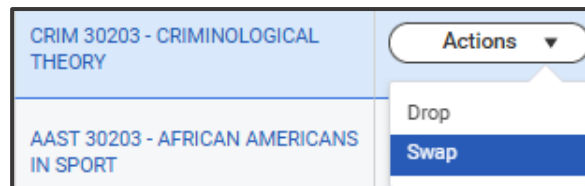

Note: Dropping a course is only allowed during specific dates. If it is outside those dates, you must withdraw from the course. For support on withdrawing, you can contact your academic advisor or access the Withdraw from a Course QRG.

SWAP A COURSE

From the Workday Home page:

1. Hover over **Student** on the Student Profile Menu.
2. Select **Academics Hub** from the list.
3. Under **Current Classes** click the **View Details** link.
4. Under **My Enrolled Courses** locate the course that needs to be dropped and click the **Actions** button.
5. Select **Swap** from the list.

6. Select the **New Course** radio button to replace your current course with a new course or select **New Section** to change the section of your current course.

SWAP TO NEW COURSE

If you select **New Course**, complete the following steps.

7. Select the new **Course to Add** from the dropdown list.

8. Click **OK**.
9. Check the **Select** box for your desired section of the new course.
